D&B

AYDINLATMA

GOLD SERİ

HAKKIMIZDA

Metal ve kalıp üretim sektöründeki 30 yıllık tecrübesini, 2006 yılında; aydınlatma, çocuk parkı ve kent mobilyaları üretimi sektörüne taşıyan D&B ; makine parkurlarını ve üretim birimlerini genişleterek, yurt içi ve yurt dışında önemli projelere imza atarak sektöründeki başarısını kanıtlamıştır.

30 bin metrekarelik genişletilebilir alan üzerine kurulu 4.500 m^2 kapalı ve 3000 m^2 açık üretim alanına sahip olan fabrikası ile ; alüminyum, ahşap, metal ve plastik olmak üzere dört dalda üretim yapmaktadır.

Aydınlatma Direkleri , armatürleri , kent mobilyaları ve çocuk oyun grupları alanındaki tüm ürünleri kendi bünyesinde üreten D&B ; bu şekilde hem kalite kıstasını artırmakta hem de maliyet açısından avantaj sağlamaktadır. %100 yerli sermaye ile tasarım ve üretim yapan D&B ; tüm elektronik, mekanik ve endüstriyel parçaları son aşamaya kadar kendi bünyesinde üretmektedir. Sektöründe Türkiye'nin lider imalatçıları arasında olan D&B , gücünü genç ve dinamik kadrosu ile işine duyduğu saygı ve tutkudan almaktadır.

Dekoratif Yol, Cadde Aydınlatma Direkleri ve Armatürleri , Park, Bahçe Aydınlatma Direkleri ve Armatürleri , Led Aydınlatma Direkleri ve Armatürleri ile üst düzey kalitede hizmet vermeyi hedef edinmiş D&B ; ihtiyaca yönelik, uzun ömürlü , güvenilir ve kullanışlı ürünler tasarlamaya ve üretmeye devam etmektedir.

In 2006 carrying 30 years experience in the metal and mold manufacturing sector into lighting, playpen and street furniture manufacturing sector,D&B has proven its success in the sector by expanding machinery and production units and by signing major projects domestically and abroad.

With the factory established on the extendable area of 30 thousand square meters,which has 4500 m2 indoor and 3000 m2 outdoor production area; it makes production in four categories including aluminum, wood, metal and plastic.

Producing all products in the field of lighting poles,fittings,street furniture and children's playgrounds within the structure of its own,D&B ;in this wise both increases the quality criterion and gets the advantage of terms of cost.

Designing and producing with 100% domestic capital,D&B produces within the structure of its own all electronic, mechanical and industrial parts until the final stages.D&B as the one among the leading manufacturers of Turkey,receives power from young and dynamic staff, passion and respect for its work.

D&B,which aims to serve a high level of quality with decorative roads, street lighting poles and fittings, park, garden lighting poles and fittings, LED lighting poles and fittings,continues to design and produce according to need,long-lasting, reliable and useful products.

A235

Özellikler / Specification

Korozyona dayanıklı alüminyum döküm gövde
Polikarbon difüzör
Galvaniz çelik çekme boru
Prizmatik polikarbon glop
Lazer kesim motif
Paslanmaz civata ve vidalar
Silikon conta
Plastikel kaplama
Electrostatik toz boya
E27 porselen duy

Corrosion resistant cast aluminium bady&base
Polycarbonate diffuser
Galvanized steel pole
Prismatic polycarbonate Globes
Laser cutting pattern
Stainless screws
Waterproof and durable silicon gaskets
Plastic coating
Electrostatic power coating
E27 porcelain lampholder

ISO 9001 CERTIFIED · RoHS 2002/95/EC · IP65 · 220-240V 50-60Hz · LED · Electrical Insulation CLASS I
